GCRTA will receive conforming deliveries for purposes of inspection. Acceptance of goods and services will not occur until after inspection or until a reasonable time for inspection has elapsed. The risk of loss shall remain with Contractor until acceptance.

GCRTA may test deliveries before or after acceptance for conformance with the specifications. Such tests may be performed by independent laboratories. Where test results indicate non-conforming goods, the delivery and the goods will be rejected and the cost of the test charged to Contractor.
